

THE RIVERTOWNS ARTS COUNCIL

### Membership Benefits

All members receive discounts to selected events and to educational programs. Notification of events includes mailings and email.

Donor level members and sponsors receive acknowledgement in program materials and/or on website unless otherwise requested.

### What your membership does

Most RiverArts events are free and all are open to the public. Our programs reach audiences of more than 15,000 people annually. RiverArts education and outreach serve 500 children throughout the year.

Scholarship funds create educational opportunity for children who otherwise would not be able to develop their interests in art.

Your contribution is a significant commitment that helps to attract additional funding from government and private sources.

### Matching gifts program

Please ask your employer for their matching gift applications to automatically increase your level of support and benefits to RiverArts.

### Volunteer with us

We pool our effort and diverse abilities to carry on a half century tradition of volunteerism inspired by a belief in the power of art to express, transform and bring joy to our shared human experience.

Give a little of your time and meet people who share your enthusiasm for the arts!

### Send Your Form & Check to:

PO Box 60  
Hastings-on-Hudson, NY 10706  
(914) 476-2321
